

Want \$100 (good as cash) gift card? FPDA's Member Get a Member Campaign challenges and incentivizes YOU to recruit new members now!

FPDA Individual Member Incentives

You will be rewarded with a \$100 gift card for each new, active member you recruit (up to five members or \$500 in gift cards!) *Or you may decline the incentive and FPDA will contribute \$100 to the Tom Ralls Scholarship Foundation.*

New Member Company Incentives

Each new member company may be eligible for 1 (one) FPDA/ISD 2017 Joint Summit (Nashville) registration.
Companies who were resigned or lapsed FPDA members since 2014 through 2016 are not eligible for this incentive.

Any FPDA member is eligible to participate

Just tell the company's you recruit to include your name on their applications. Then tell us who you recruited by entering your name and company, and the name of the potential member.

Eligibility

- Any current (and individual) FPDA member is eligible to participate as a recruiter.
- The following types of member companies are *not* eligible for referral incentives:
 - Renewals (someone who was a member in 2014-2016)

How to Participate

- Member recruiters are asked to let the FPDA know the name of the new member for each member recruited. Just enter your name, company name, contact information and the name of the company and contact you recruited. You are also encouraged to have the member you recruit indicate your name as sponsor on the membership application.
- FPDA member recruiters will receive an email notification after the member's application has been accepted as eligible.
- In the case of identical referrals made by multiple member recruiters, only the first recruiter to complete will be eligible for the incentive.
- A \$100 gift card will be awarded for each new, active company member recruited who pays national dues in 2017 for up to five (5) new active members (\$500 in gift cards). No substitutions for the gift card(s) will be made.
- A member recruiter may decline the incentive and FPDA will contribute \$100 to the Tom Ralls Scholarship Fund. Member recruiters understand that this declined incentive does not represent taxable income to the member recruiter, and therefore is not eligible as a tax deduction for the recruiter.
